

CATERING

393 Bridge Street Manchester, NH 03104 • (603) 623-5388

We offer catering for all occasions, from luncheons to weddings. We have three different options for catering.

The first, you can pick up your food fully cooked, but cold, to heat up when it is convenient for you.

The second, you can pick up your food hot and ready to serve.

The third option, you can have your food delivered. It is also possible for us to provide service for your function, that is, to have an employee at your function to set up and manage the food for an additional charge.

Please call to make an appointment to review your specific catering needs, and we can create a menu for your special occasion.
